DEAR THIRD GRADER,

Welcome to third grade! It is a wonderful year filled with time for deep thinking and opportunities for you to be curious. I am thrilled to meet you and explore with you this year. I have enjoyed spending time this summer planning for our year together. It may be hard for you to believe, but I already have a challenge for you.

I would like you to bring an ARTIFACT from your summer explorations on the first day of school. We will share our artifacts over our first few days together. Sharing artifacts will be a fun way to get to know each other, show curiosity, and see what experiences we have in common. Please bring something that can fit in your backpack and can stay at school overnight. Also, please make sure your name is on your artifact.

I will meet you on the lawn of Hilton Elementary on the first day of school. Look for a map of Michigan. I am looking forward to beginning our special third-grade year together. Until then, enjoy the rest of your summer.

Love, Mrs. Beane.
