Open Syllables Featuring a Vowel Divide

In some words, two vowels are adjacent in a word but they are not vowel teams. This lesson focuses on these words. In all of this week's words, the first vowel is open and has the long sound. Often, but not always, the second vowel has the schwa sound.

Wordsmith Homework:

Monday

Use the dictionary or an internet search tool to find another word with two vowels next to each other, but not in the same syllable. Write the word on a 3x5 index card and then write a sentence with this word. Bring the card to school tomorrow.
